Gerstner Chests are built for craftsmen who want complete tool protection in a dependable, attractive, long-lasting chest. Every Gerstner Chest is built from specially-selected, kiln-dried wood and is equipped with strong, handsome hardware. All drawers are hand-fitted to slide freely and are felt-lined for tool care. Produced to rigid specifications, Gerstner Chests are guaranteed to give complete satisfaction.

- A Gerstner wood chest protects your tools from ruinous moisture condensation.
- Wood is an ideal cushion for precision tools and helps preserve their accuracy.
- Wood is warm and friendly—you will find real pleasure in day by day use of your Gerstner Chest.

FOR THE MAN WHO CARES

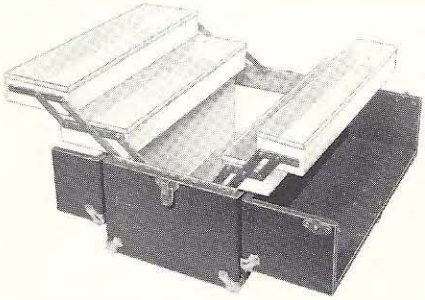
Gerstner TOOL CHESTS

GENERAL PURPOSE KITS AND CHESTS

CARPENTER'S CHEST

Compact and light-weight, this carpenter's chest has room for all the large hand tools ordinarily carried. The two drawers are used for wood chisels, auger bits, and smaller tools. It is built of select laminated wood and given a hammered lacquer finish. Sure to appeal to the man who wants order, convenience, and tool protection.

C-33	31 x 7½ x 15½	18 lbs.



REPAIRMEN'S KIT

Neat, compact, and well-made, this handy kit lends a professional touch when carried by a repairman into any home or office. Its four aluminum trays fold out, revealing their contents and giving access to the items stored in the bottom. Used by electricians, piano-tuners, and repairmen. Built of wood, covered with black art leather.

R-3	16 x 10 x 8¼	11 lbs.

GENERAL UTILITY CHEST

Built for the general mechanic or for the home-repairman who wants his tools in good order and locked up, this is an all-around chest with a commodious top compartment and four felt-lined drawers. A locking device secures the drawers when the top is closed. Built of laminated wood, stained and lacquered.

U-22	20 x 9½ x 11	17 lbs.

BASES—TWO SIZES

Used under a Gerstner Chest, this sturdy base with its 4″ drawer will accommodate heavy tools too bulky for the chest above it. Each base has a lock, nickeled hardware and is available in any one of three finishes to match the chest. B-20 takes chests up to 20″ long and B-26 supports 26″ chests.

Polished Walnut	Polished Oak	Brown Lacquered	Outside Sizes	Shipping Weights
WB20	OB20	B20	21 x 6 x 10	13 lbs.
WB26	OB26	B26	27 x 6 x 10	17 lbs.

COVERS FOR GERSTNER CHESTS

For those who like to keep their Gerstner Chests covered while not in use, we supply covers made from a serviceable vinyl plastic. These come in sizes to fit our chests shown on the other side of this page. When ordering, state style number of chest or give outside dimensions.
